# Subject: The Dream For All Voucher Application Period Has Closed

To: All Customers

Date: 05/01/2024

---

The CalHFA Dream For All Program Voucher application period has now CLOSED. The program received over 18,000 submissions and the CalHFA team is working quickly to review and audit the applications. If any additional information needed during this process, CalHFA will send a request to the borrower's email. Please check the email inbox and portal account frequently for updates.

In the next few weeks, the random selection process will take place at which time the status will be updated for all qualified applications to either 'Not Selected', 'Waitlist', or 'Voucher Issued'.

If the application was Not Selected, don't worry, the borrowers can still work with AAA LENDING to explore other DPA programs.

If the application was placed on the Waitlist, check the voucher portal account frequently and monitor the email. If a voucher position becomes available and the borrower will be next on the waitlist, the status will change to 'Voucher Issued', and the borrower will be notified by email, immediately.

If the borrower is randomly selected to receive a Voucher, Congratulations! Detailed instructions and the next steps will be emailed to the borrower along with the voucher documentation.
